|                              | Description  | Pass | Fail |
|------------------------------|--|------|------|
| Personal Information Section |  |      |      |
|                              | Profile Picture (does not include pets or other people, no provocative clothing)         |      |      |
|                              | The email address is valid (a yahoo.com, gmail.com, msn.com, aol.com, etc.)              |      |      |
|                              | Birthday is valid  |      |      |
|                              | Submitted a bio (adequately describes who they are and what they do)                     |      |      |
|                              | Time Zone (use the client's zip code to determine their time zone and update the field.) |      |      |
| Additional Details Section   |  |      |      |
|                              | Highest level of education (associates or bachelor's preferred)                          |      |      |
|                              | Degree (related to their subjects of interest)   |      |      |
|                              | Years of experience (minimum of 1 year)  |      |      |
|                              | Background check (must submit to a background check)                                     |      |      |
|                              | Subjects of interest (select a least one)  |      |      |
|                              | Convicted of a felony ( no felonies)   |      |      |

## 2.3 Review Applicant Subject Knowledge Test Results

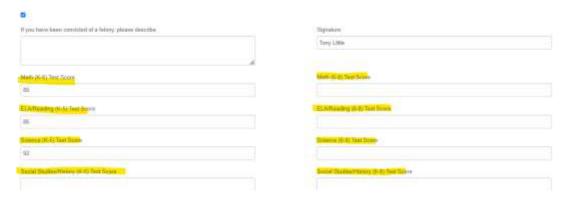

- The applicant's subject knowledge test results are sent to the <a href="mailto:recruitment@advance-tutoring.com">recruitment@advance-tutoring.com</a> account.
- Open the recruitment@advance-tutoring.com email account on a new tab.
- Look for the test results from the applicant as shown as the image below. The results can usually be found after the application submitted.

- Open the first email. Verify the name and email address of the applicant.
- Look at the percentage received for the test.

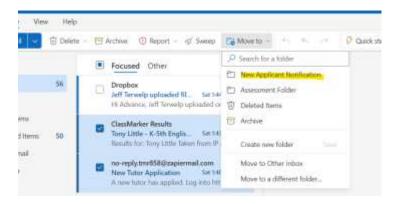

• In the applicant's profile in Teachworks, scroll down to section Subject Knowledge Test fields.

- Enter the score received on the test.
  - o If the applicant receives a score 0-79%, the applicant is not qualified to teach the subject.
  - o If the applicant receives a score 80-100%, the applicant is qualified to teach the subject.
- Repeat the steps in this section for reach knowledge test submitted by the applicant.
- In the **Employment Details** section of Teachworks, in the **Subject** field, select all the subjects the tutor receives a score of 80% or better on the knowledge tests.

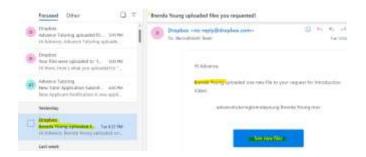

- Return to the recruitment email account.
- Check the box next to the emailed test results you just recorded and the New Tutor Application.
- Move the email by clicking the folder icon, and select the **New Applicant Notification** folder.

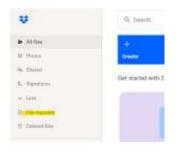

## 2.4 Review Applicant's Introduction Video

 Dropbox will send an email notifying you if the applicant uploaded an introduction video. This step is optional for the applicant. Click on the See new files link.

Click on File Requests.

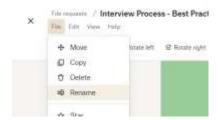

Click on the Introduction Video folder.

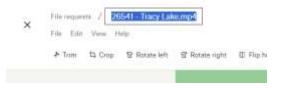

Click on View Uploads.

Click on the Applicant's video to watch.

Once you're done watching the video, double click on the Title, and enter the applicant's First and Last Name.

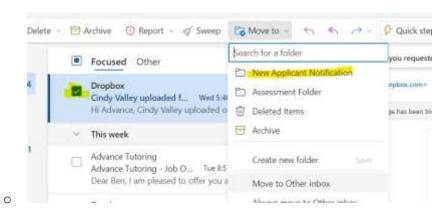

Click File and select Move.

Select Completed Videos and select Move.

- Close Dropbox.
- For the Admin: check the Dropbox storage file weekly. Move files as necessary to space requirements.)
- o Return to the <u>recruitment@advance-tutoring.com</u> email account, and move the Dropbox file notification to the New Applicant Notification folder.

## 2.5 Complete Employment Checklist

In the Staff Portal, on the your dashboard, click on Employment Portal > Employment Checklist.

• Complete the online version of the form. It will be submitted for review and to schedule an interview.

# **END PROCESS**
